WOULD YOU SELL YOUR VALLEY LAND
If you got your price? Of course, you
would. But we don't want to sell it for
you. What we sell is for those who have to
sell, not those who would sell if they were
aftered enough. Our object is to make
friends of those we sell to, instead of those
we sell for beamso we want their histories
and their briends' business in the future.
We do not want to sell ligher priced
land; we want to dispose of the cheapest
lands we want to get them off of the
market, so that we can get the best price
for our own land late.

Beamsmber that we are one of the heaviest
lands concern in the valley, and are not selling our own land, but are selling the other
fellow's land for less then we would
take for our own. Perhaps, also, we are
not quits so hard up. We believe them
lands will go up higher in price, which is
another reason that we would rather sell the
other follow's hand than our own.
If any one has in he searchited to benefit
the neucomers, we want it to be the other
fellow, itseed of us.

Organize to Oppose Pending City Ordinance of Regulation.

Reasonable but not prohibition regu-lation is what the nickel automobile drivers of El Paso want, according to the sentiments voiced at a series of moetings which have been held during the past three days, culminating in the formation of the Fraternal Organiza-tion of Automobile Operators Monday morning, with a charter membership of 100.

of 100.

Legal service has been secured by the new association and it will have an attorney at the meeting of the city council Tuesday when the proposed ordinance comes up again. That it will linance comes up again. That it will be a Tight to the fhish was indicated by the remarks at the meetings and the inversal manner in which the drivers contributed to the find for the legal.

They might as well 'regulate' the They might as well regulate the street car company by permitting it to run certain cars on certain routes only and not permit the company to switch its cars to lines where unusually heavy traffic will need them. If they confine us to one street, why not he street cars." demanded one speaker.

"There are a lot of fittle Jokers' in that crdinance which would require many situs drivers to spend as much as \$100, including the EDS license, if they are to stay on the streets," declared another.

miny situe drivers to spend as much as \$100, including the EtS Hense, if they are to stay on the streets," declared another. The drivers of the Jitne company and the independent men met Sunday and senta big delegation to the meeting of the Public Scrates drivers Monlay at the company's office on Myrtle arenue. The men all seemed to be of the opinion that the proposed ordinance wan drafted at the beheet of the street railway company with the and object of sliminating competition. There was some mention of a 2s cent charge for special trips but it was not given serious attention. In fact, that charge in now made for special trips so it is nothing new, the drivers say.

The Fraternal Organization of Automobile Operators starts off with J. B. Davis as president; H. C. Young, vice president, and J. J. Phillips, secretary treasurer.

About \$100 was at once yaid into the

president, and J. J. Phillips, secretary treasurer. About \$100 was at once paid into the freasury in the way of fees and the war fund will be augmented by the receipts of a ball to be given by the fitne men at the auditorium on Mounlay evoning of next week. The drivers may that this ball is going to be "cemething different" and all persons having tackets will be called for at their own homes by jutne cura and carried to the hall and then home after the festivities. The objects of the new organization are to maintain chals quarters, fight for secure or expose legislation affecting the drivers, take care of sich members and to look after members who are memployed.
